

September 17, 1965

To members and participants,

A meeting of the Equal Opportunities Committee will be held on Tuesday, September 21, at noon in the University Cafeteria. Plans for the fall will be discussed at the meeting. At the present we are considering projects in Harrisburg and the Lewisburg area. We will also consider the drafting of a "statement of purpose" which I hope will aid in helping to establish us on the campus.

Please try to come, as ideas are needed.

Spread the word about the
meeting.

EQUAL OPPORTUNITIES COMMITTEE

STATEMENT OF PURPOSE

The Equal Opportunities Committee is an organization composed of students and faculty which exists:

- A. To confront the students of Bucknell with the issues and problems facing American society today in the areas of discrimination and cultural, economic, and social disadvantage.

 - B. To provide the Bucknell community with a means of direct action in working towards the solution of these problems.

 - C. To demonstrate Bucknell's commitment to these goals by sponsoring activities which will help to develop a (culturally) diversified student body and an atmosphere congenial to that community.
