

## HOWARD STUDENTS VISIT CAMPUS

As part of the second annual exchange weekend, thirteen Bucknell students spent the weekend of March 22, 23, and 24 at Howard University in Washington, D. C. The purpose of the program, as Angelyn Womach of Howard and I evaluated it, is to informally promote a better understanding between Negro and white students. Although many of us profess to have no prejudice, it is only through living together that our beliefs can be confirmed.

The Howard University students entertained us with an International Soiree, a campus tour and a tour of Washington, a sorority and fraternity skit night, and the Chapel Service. We also had informal talks with Howard professors and paid a visit to President Johnson's home.

During the weekend of April 18-20 fourteen Howard students returned the visit to Bucknell. Some of the activities attended were: the Sophomore Class Dance, the Artist Series violin concert, and 9:30 Class, at which a student from Howard University spoke. An informal afternoon was spent Saturday at the Conference Center. We also visited two faculty homes and attended local church services. Everyone who participated felt the weekend to be very profitable and refreshing.

Dr. Murphy will lead a series of three Sundays in 9:30 Class based on the general theme, Love, beginning on April 27. Ideas will be drawn from the three different Greek words for love, namely: Eros, physical; Felia, mutual love (I love you because you love me); and Agape, unconditioned or absolute. The dates for the series are April 20, 27, and May 4. On May 18, there will be a worship through music program. If anyone is interested in participating, contact Miss Thom, Music Chairman.

## DR. MILLER SPEAKS AT C.A. INSTALLATION

On Wednesday, April 16, a C.A. Cabinet dinner and Installation was held at the Conference Center. Attending the dinner meeting of the C.A. Advisory Council and Cabinet were members of the faculty and administration Advisory Committee, outgoing Cabinet members, new Cabinet members, and other project leaders and supporting personnel.

Dr. Ebersole installed the following students as members of the C.A. Cabinet for the 1958-59 school year: Ted DuPuy, President, Dave Murdock, Membership, Ann Norris, Secretary-Freshman Camp and Firesides, Ted Biddle, Community and Social Responsibility, Jo Nielsen, Inter-collegiate Responsibilities, Tom Van Alen, Finances and Special Projects, Dawn Beatty, World Relatedness, Dave Dayton, Christian Interpretation, and Nancy Dean, Public Relations.

Dr. Samuel H. Miller of Cambridge, Mass. followed the installation with an inspiring talk entitled "The Spiritual Meaning of Christian Leadership on the University Campus". Among the challenges which he presented were: the need for understanding the great variety of pressures which converge on an individual; for comprehending the mind of God in the given situation; and for redeeming the personal and community life for God.

## FOLLOW-UP REPORT ON W.U.S.

During the World University Service campaign, campus interest in WUS was evident. Now, however, some pledges remain unpaid and a few may not know how or where there money was used.

Students and faculty pledged \$3100 to WUS of which \$2800 has been paid to date. It is not too late to submit unpaid pledges to the C.A. office in the Carnegie Building.

Of the total collected, \$1200 has been assigned for four international scholarships here at Bucknell. \$500 has been sent to the University of Rangoon for scholarship use there. The balance has been sent to the National WUS organization and earmarked for specific aid to the Madras Health Center in India.

The WUS organization on campus is being reorganized this spring under the direction of Dawn Beatty, Chairman of World Relatedness.
